

location of underwater pyramids @ Yonaguni
and
Chinese White Pyramid

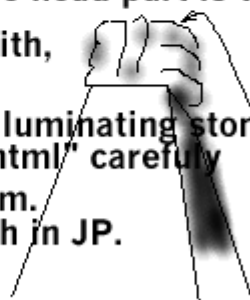

White Pyramid in China ,location is unidentified

especially the head part is very artificial
on the top of monolith,

there is a hole once illuminating stone was attached
please see "ashitake.html" carefully

I couldn't find any Petrograph on them.
however, there are a lot of Petrograph in JP.

Ashitake's artificial monolith
6m or over high
